

Want to help improve regional healthcare?

Accessible healthcare is one of the cornerstones of a strong community, and one of the cornerstones of accessible healthcare is available doctors. Bringing medical professionals to the Peace River region can be a challenge and local municipalities have stepped up.

The Peace Regional Healthcare Attraction and Retention Committee, a partnership between the Town of Peace River, County of Northern Lights, Northern Sunrise County, MD Peace No. 135, and the Village of Nampa, was formed to amplify local efforts to attract and retain medical professionals.

We need your help to do this.

Public Members-at-Large are needed to help provide a face for the Peace River area. We need local people with a passion for the region.

If this is something you might be interested in OR if you would like more information, please email: rmccuaig@peacriver.ca or call (780) 624-2574.
