

Northern Sunrise County Celebrates Canada's 150 in Style

Press Release—For Immediate Release—July 7, 2017

Northern Sunrise County, in partnership with Willy's Trucking and Kudu Industries, celebrated Canada's 150th Birthday on June 29, 2017 with over 700 people in attendance. The event, held on the County Administration grounds and Cecil Thompson Park provided activities and entertainment for all ages. Ongoing improvements at Cecil Thompson Park such as the bouncy pillow, gazebo, pond fountain, fishing docks, and the great outdoor exercise equipment made the park an ideal place for all to enjoy.

Children and parents alike enjoyed the show from Dr. Von Houligan's circus, bouncy castles, bubble soccer, and many activities and games. The bouncy pillow installed in 2016 was full all afternoon. Entertainment provided by local artists and dancers was enjoyed by all in attendance.

We would like to thank all those that came out to enjoy the afternoon. As well, a huge thank you to our partners and local businesses that donated items to make the day run smoothly. We would also like to thank those individuals who brought out their vehicles for the Show 'n' Shine as well as our judges.
