

Northern Sunrise County

Press Release – For Immediate Release July 28, 2017

Peace River, AB/Northern Sunrise County announced today that Peter Thomas will be stepping down as Chief Administrative Officer of the County effective immediately.

Bob Madore, who has been serving as the Chief Financial Officer of the County, shall assume the position of interim CAO. Mr. Madore shall be supported by the County's Director of Legislative Services, Cindy Millar, who will take an active role with the County's day-to-day management during this interim period.

Council thanked Mr. Thomas for his long service, during which he has led the County to numerous achievements which helped to make Northern Sunrise County a clear leader among Alberta rural municipalities. "Council was very disheartened to see Peter go. He leaves here with a substantive history of accomplishment to be proud of, our best wishes for the future and my highest recommendation for any future endeavors he may consider." said Reeve Garrett Tomlinson.
